## Optional detours to Shorepoint Lighthouses

### Morgan Point Lighthouse Detour

Lighthouse is approximately 3 miles off route in Noak for a total detour of 6 miles.

Note: this lighthouse is not open to the public

11.8	Right	West Main St (Downtown Mystic)*
	Left	Water St
	Straight	Becomes Noank Rd
	Straight	Becomes Elm St
	left	Mosher St
	right	Ward St
	left	Main St
	right	Pearl St
	straight	Becomes Morgan Point

### \*Mystic Lighthouse Viewpoint

Lighthouse is on Mystic Seaport grounds so only viewable from a distance.

After crossing drawbridge (@11.6 mi), take 1st left onto Holmes Rd.

Lighthouse is viewable across the bay.

Lighthouse is also viewable across the bay from Starr St

### \*\*Stonington Harbor Lighthouse - 7 Water Street

At Trumbull Ave Route 1A intersection (@16.0mi), take right onto Alpha Ave.

Cross bridge, then left onto Water St for about 3/4 mile.

### \*\*\*Watchhill Lighthouse

At approximately mile 30.6 take right onto Lighthouse Rd and follow to the end.

Return to course and make a right.

### Avery Point Lighthouse

At the finish of the ride follow the brick walk to the Ocean.
