***Brain Injury Alliance of Connecticut Partners with United Steel
for the 10th Annual Walk for Thought***

WINDSOR, CT (September 25, 2014) – On Sunday, October 26th, hundreds will join the [Brain Injury Alliance of Connecticut \(BIAC\)](#) for the **10th Annual Walk for Thought**, presented by United Steel. The event takes place at Rentschler Field in East Hartford, CT and unites people from throughout the state with a dual purpose—to increase awareness about brain injury and raise funds for BIAC. Registration begins at 11am and the Walk kicks off at 12:30pm.

In addition to increasing brain injury awareness, the Walk for Thought provides a unique opportunity for those impacted by brain injury to come together as a community. With United Steel's unwavering support of the event since its inception in 2005, the event has raised more than \$535,000 to support BIAC's brain injury prevention and recovery programs.

Registration is available online at www.biact.org or by calling 860-219-0291. Pre-registration fees are \$25/Adult, \$15/Child; onsite registration is \$30/Adult, \$20/Child. Brain injury survivors and military veterans always walk for free.

Sponsorship and exhibitor opportunities are also available. For more information please visit www.biact.org or contact Christine Buhler at 860-219-0291 Ext. 306.

About Brain Injury Alliance of Connecticut

*Founded in 1981, the Brain Injury Alliance of Connecticut (BIAC) is Connecticut's partner in brain injury prevention and recovery. **As a partner in prevention**, BIAC works with individuals, organizations, schools and government to educate those in our communities about the causes and realities of brain injury. **As a resource in recovery**, BIAC provides brain injury survivors and their families with the resource information and support they need completely free of charge. BIAC's brain injury specialists work to ensure that survivors and their families are connected to the appropriate services and professionals. They also facilitate independent living and meaningful inclusion at home, at school and at work. For more information, visit www.biact.org.*
