

Protect Your Brain

Prevention Toolkit
for Schools

FREE INJURY PREVENTION TOOLKIT

The Protect Your Brain series was developed as a tool to be utilized by schools and communities to aid in raising awareness about the incidence and preventability of brain injury. The series is broken up by various age groups and grades, and focuses on the risks of brain injury for those age groups.

Contents include:

- Protect Your Brain Presentation
- Brain Injury 101 Reading Assignment
- What Would You Do? Scenarios for Classroom Discussion
- Parent and Student Fact Sheets
- And more...
