

Participate in an intensive and integrated language and cognitive treatment program

Participant Requirements

- Must have difficulty with language and/or cognition
- Have an interest in continuing or pursuing higher education
- Must have normal or corrected to normal vision and hearing
- Time commitment: 4 times per week for 5-12 months
- The program runs during BU semesters and meets Mondays through Thursdays from 10:00 am to 4:00 pm

Have you or someone you know had a brain injury or a stroke?

Do you or someone you know have trouble communicating or participating in daily life and who wants to pursue higher education?

Sign up for a **15 week** intensive and integrated rehabilitation program that provides language and cognitive treatment in both a group and individual setting

Call or email to set up a screening session

Boston University - Charles River Campus
Institutional Review Board
Approved: 12/1/16 - 8/10/17
