

Are you interested in receiving a gift card to
Wal-Mart or Stop & Shop?

A research lab at Trinity College is looking for volunteers for a study investigating the relationship between domestic violence and brain injury. The study entails just a one-time, 2-hour session. All participants will receive a gift card to their choice of either Wal-Mart or Stop & Shop.

Childcare offered for the duration of the study!
Food will be provided to keep you fueled!

If you are interested in learning more or are willing to be a participant, please contact:
Olivia.Dejoie@trincoll.edu or call (860) 297-5188 and ask for Olivia
